

Ciao

A sample presentation of my Marp Theme

Split slides

Ehi, I'm an exponential function to show the Math support.

$$y = e^x$$

Code

You also have code blocks, with highlighting

```
fn main() {  
    println!("Hello, world!");  
}
```

Tables

Emoticons	Some text	Numbers
	Lorem	3.99
	Ipsum	10.40
	Dolorem	6.33

Blockquotes

This is a quote

Even on more lines, available: warning, error, success, example

This is an error

Grazie
